Jeff Himes an Investigator for the Arapahoe County Sheriff Department presented an “Introduction to Sex Trafficking.” Jeff has worked with the FBI on several sting operations to get traffickers off the street and recovering the kids. From Jan 1, 2014 to Dec 31, 2014, thirty-six were arrested for pimping and nineteen were arrested for patronizing. The youths, both boys and girls, are put into sex trafficking range in age from 12—17 years of age. He presented the three stages of sex trafficking: Process (recruiting), Means (force/fraud/coercion), and End (slavery/involuntary servitude). Colorado Revised Statute §18-3-504 is the law used to put the pimps away. The state made this crime a class 2 felony, one step below premeditated murder. One of the keys for Colorado being a major sex trafficking area is the legal marijuana. On average, a pimp in Denver makes \$31,200 per week.

On a happier note, Marc Garfinkel introduced the October Student of the Month, Jackson LaFever. A remarkable student. He is a member of the National Honor Society, has been on the swim and diving team, and is currently on the wrestling team.

Kendra Meeker was inducted as the newest member to the Rotary Club of Centennial. Kendra is a Process Engineer with Halker Consulting, LLC. Welcome Kendra!
