## Directors

- Club Administration—Roxy Hahn
- Community & Club Innovation—John Gile
- Local & International Service—John Berry
- Technology Innovations—Paul Fritzier
- Membership Growth & Enrichment—Mark Gale
- Rotary Foundation—John McCarty

Today's meeting was our first meeting dedicated to discussing visioning. One of the concerns that Randy Pye has had is the diversity of our club in relation to the City of Centennial. The City of Centennial is 50.8 percent female and 49.2 percent male. Our club is 40 percent female and 60 percent male. The ethnic diversity of our club is close to the ethnic diversity of the city.

Centennial Rotary is continuing to grow. Three new members will be brought into the club next week. Two of the three new members are from Embassy Suites. Embassy Suites has a program called MAD which stands for Make A Difference. They try and go into the community to make a difference. This is an opportunity for Centennial Rotary to team with Embassy Suites on projects.

As the club continues to grow there are challenges that need to be addressed by our club. Historically the club has said the ideal size of the club is about 50 member, and we are close to this number. Including the Millennial Satellite club, we are at 65 members. AlloSource is going to have a corporate satellite club and will a part of Centennial Rotary. Randy Pye announced they we are about to have a senior's satellite club. As our club continues to grow, is the approximate 50 member limit appropriate. Should our club have two meeting or start a second club? Should we consider alternate formats for the meeting, such as Skyping, GoTo Meeting, You Tube, etc.? These questions are to be discussed in more detail at the March 1 Visioning meeting.

Anne reminded us that the RYLA enrollment date is approaching—February 15.

Today's inspiration was presented by Kent Ostedgaard.
