

# Rotary Club of Centennial Colorado

Centennial, Colorado

April 5, 2015

As part of the monthly Visioning, there were two speakers talking on specific topic. John McCarty spoke on recognition points. One recognition point is awarded for each US dollar to the Rotary International Foundation or Polio Plus. Members can donate their recognition to other so they can become a Paul Harris Fellow, a person who has donated \$1,000 to the Rotary International Foundation or has upto 1,000 recognition points. These points can be donated to anyone they desire the points to. They can donate to family members, for instance, so the family members can become Paul Harris Fellows. Members can check their recognition points by either contacting John or going to the RI web site and seeing the points they have accumulated.

Mary Alice Jackson and Nicolle Davies talked about club operations. Club members are supposed to members of one or more club committees. The club committees are Club Service, Community Service, International Service, Vocational Service, Youth Services, and Fund Raisers. The proposal made is that committee chairpeople would have a three year commitment. Their first year would be as chair elect. Their second year would be as committee chair. Their third year would be a past president. Starting in the 2017-2018 year, the committee chairperson would automatically be a member of the club Board of Directors. Starting with the 2016-2017 year, the committees will select a chair-elect who will assist the committee chairperson and then would become the chairperson in the succeeding year. The Board of Directors would consist of the chairpersons of the six committees, plus the President, President-Elect, the Past President, the Secretary and Treasurer. The Club Treasurer is the only person who will remain in their job indefinitely. To be nominated for President-Elect, the individual must have served as a chairperson of one of the six committees. Membership on the committees and chairperson of the committees is available to members of the satellite clubs.
