

Rotary Club of Centennial Colorado

Centennial, Colorado

August 2, 2016

Samantha Johnston was inducted into the club as our latest new member. Welcome Samantha.

This August 2nd meeting was the quarterly club meeting. There were two significant presentations. The first was by Barbara Medina and involved dues and the second presentation was by Trip Butler on makeups.

DUES. Rotary International has announced they will be increasing their member dues by \$1 per quarter for the next three years which means the annual dues to Rotary International will have increased by \$12 at the end of the three year period. Embassy Suites is expected to raise our meals costs after they complete their renovation. As a result, the club is increasing the quarterly dues, starting with the October statement, by \$5 per quarter.

MAKEUPS. Why is Rotary obsessed with attendance. There are four main reasons. One, we are directed by RI to keep attendance records and forward the information to the District Governor. Two, Centennial Rotary awards the "Perfect Attendance Pin." Three, it build goodwill and better friendships and is beneficial to all concerned. Four, it is an important statistic to club leaders since it shows how much members enjoy the club and the meetings. There are several ways to makeup a meeting. One can attend a different Rotary club and many are listed in the weekly program. Another place to make up is the cClub One web site.

The Centennial club considers district events, club activities, committee meetings, service projects, socials and chat groups as suitable makeup opportunities.

For the District 5450 eClub go to www.rotaryclubone.org on your internet browser. You can also find a link to the eClub One on our club's browser, www.bestrotary.com in the lower left corner of the page. The eClub One site will have a dropdown menu for makeups. The choices are: How To Do A Makeup, Makeup Programs, The Rotarian Magazine, and Your Donation. The right hand side of the main page has a second drop down menu to select the type of makeup program you want to do.

There is a spot on the eClub One site where you can enter your personal information so you can receive credit for attending a meeting.

There are lots of choices for doing makeups, so there should not be an excuse for not getting the Perfect Attendance Pin.

Randy Pye was presented his Past President badge by Nicolle Davies.
