

Rotary Club of Centennial Colorado

Centennial, Colorado

November 8, 2016

Kyle Boten, the Student of the Month, is presented his plaque by Byron Koste. Also present for the presentation were his parents Kirsten and James Boten along with his sponsoring teacher Michelle Crookham.

Kyle has a 4.062 GPA and is in the top 6% of his class. He took Trig/Pre-Calculus last year finishing with a 95+% average for the two semesters. On his initiative, he took calculus this past summer at Arapahoe Community College where he got a A+. He is now taking AP Calculus so he can graduate completing Calculus II.

Kyle is going to attend the Colorado School of Mines where he will be majoring in Chemical Engineering. Good luck. He wants to be involved with clean and/or renewable energy.

For the past three years he has been an entrepreneurial private tutor. He has been tutoring a 6th and 8th grader at Powell Middle School. Both students have ADHD which presents many educational challenges.

One of the three classification talk presenters, Samantha Johnson, is at the podium. She is a home mortgage loan processor, specializing in FHA and VA loans for first time home buyers, self-employed borrowers, those interested in investment properties, and jumbo loans.

She will be moving to Thornton in the near future as that is where her office is located. Samantha says she will be staying with this club, which is good news.

Samantha is a graduate Puget Sound University where she studied politics and government. She has been a Hip Hop Music Manager for Chapne Clouds and DJ Quote the Beatmaker. She also writes music reviews.

Samantha has written two books, one fiction and the other non-fiction. The fiction book is Truth and Consequences. The non-fiction book is Live In Your Truth.

John Wexler made a visit to our club. Welcome back John.

The second classification talk was done by Jessica Sidener. Jessica was raised in Cincinnati, Ohio and attended Ohio State where she obtained a degree in Public Relations.

After graduation, she got a job with Panera Bread in Denver. She then moved to Manager of Communications for the Arapahoe Libraries.

Her outside interests consist of Safe Haven for New Borns, a organization encouraging unwanted new born babies to be dropped off at fire stations. She is also on the board for the Public Relations Society of America.

Jessica announced that this past June her husband had committed suicide and how well he had hidden his mental health.

In addition to everything else Jessica does, she also has a jewelry business.

The third classification talk by Ken Hope was not presented because there was insufficient time.

Travel Gifts

Ken Hope presented pillow cases that were made by her wife.

Anne West is trying to get the Blue Marble. Unfortunately, the Blue Marble is still hidden and is worth over \$1,000.

Club Business

- Polio pigs are still available for those who do not have one.
- Trip thank everyone for their response to the CASA Legacy dinner.
- Rotary Leadership Institute is this Saturday at Red Rocks College.
- The Christmas Party is Dec 10 and Bryon and Marilyn's house.
- Anne West is looking for a roommate in her hotel room at the RI Convention.

Thanks to Mary Alice and Cheryl for the hats. 150 of the hats were made by inmates through the Wings Ministry. These hats will go to Meals on Wheels persons.
